

Program

8th China-Japan-Korea Women Forum for Science and Technology &
2017 International Conference on Advanced Fibers and Polymer Materials

Shanghai, China

October 7, 2017

Theme: Women in science: cooperation and innovation

Supported by: The Committee of Women in Science, the Standing Committee, CAST
Hosted by: China Women's Association for Science and Technology (CWAST)
Organized by: State Key Laboratory for Modification of Chemical Fibers and Polymer
Materials (SKLFPM), Donghua University (DHU)

Chairperson:

Chih-chen Wang President of CWAST, Professor of Institute of Biophysics, Chinese
Academy of Sciences (CAS), Member of CAS

Vice Chairpersons:

Xin Fang Member of the Standing Committee of National People's Congress
(NPC), Executive Vice President of CWAST, Director of School of
Public Policy and Management, Univ. of Chinese Academy of
Sciences (UCAS), TWAS Fellow

Donghong Cheng Member of Law Special Committee of the National People's
Congress (NPC) of the People's Republic of China, Executive Vice
President of CWAST, President of Chinese Association of Natural
Science Museums (CANSM)

Ruiping Gao Deputy Director of National Natural Science Foundation of China
(NFSC), Vice President of CWAST

Haiying Wu Deputy Director of the Committee of Women in Science, the
Standing Committee of CAST

Zhi Lu Vice President of CWAST, Prof. & Director of Shansui Nature
Conservation Center, Peking University

Se-Moon Park President of Korea Federation of Women's Science & Technology
Associations (KOFWST)

Chikako Yoshida-Noro Professor of Nihon University

Organizing Committee:

Meifang Zhu Director of State Key Laboratory for Modification of Chemical

Speakers:

Lizhu Wu, the Technical Institute of Physics and Chemistry, CAS
Heisook Lee, WE-UP Professor, Handong University, Principal Research
Fellow, GISTeR, KOFWST, Professor Emeritus, Ewha Womans
University

Yoko Nameki, IBM Japan COSMOS Leader (JWEF)

15:00-15:30

Tea Break

15:30-16:10

Panel Discussion 1

16:10-16:50

Panel Discussion 2

16:50-17:30

Closing Ceremony

Chaired by Donghong Cheng, Member of Law Special Committee of the
National People's Congress (NPC) of the People's Republic of China,
Executive Vice President of CWAST, President of Chinese Association
of Natural Science Museums (CANSM)

Closing remarks by President of CWAST, Professor of Institute of
Biophysics, CAS, Member of CAS

18:00

Supper

Sunday Oct. 8, 2017

Opening Ceremony of ICAFPM2017

Monday Oct. 9, 2017

Leave Shanghai
